or 01252 723044 **(students £2 in advance, £3 on door)**

Professor Jim Al-Khalili

Physicist and President of the
British Humanist Association

**Talk in celebration of Farnham
Humanists' 10th Anniversary**

Do we have free will? Is our future pre-ordained? Do people still believe their fate is linked to the movements of stars and planets? What modern physics contributes to the debate and a personal view on links with Humanism and answering life's Big Questions.
