FOR UP TO DATE CURRENT PROGRAMME PLEASE CHECK ON <http://www.farnham.humanist.org.uk/>

Humanists share a non-religious ethical outlook and seek a more open, just and caring society.

Farnham Humanists cover North East Hampshire, West Surrey and are centred on Farnham and Alton. We promote and celebrate evidence based thinking, volunteer and engage in the community and represent non-religious views to provide an important balance in society and education.

We meet monthly at 7 for 7:30pm on a Sunday at Daniel Hall, Farnham, Long Garden Walk, GU9 7HX

On the first Wednesday of the month we meet informally from 8pm at The Jolly Sailor pub, 64 West St, Farnham, Surrey GU9 7EH for a chat and a drink. It's an opportunity to get to know each other better and often involves lively discussion.
