covering W. Surrey and N.E. Hampshire

farnham HUMANISTS offer an opportunity to explore the meaning of life without religion.

We have monthly talks, events, debates and meet to discuss and enjoy socialising with like minded people.

Would you like to meet us?

Everyone is welcome.

"I was a humanist without knowing it for many years before I found the Association. When I did, it was like finding a sort of home."

Claire Rayner (1931-2010)
President of the BHA, 1999-2004
