## Programme for 2019 (as at 14/1/19)

**Humanists share a non-religious ethical outlook and seek an open, just and caring society.** Farnham Humanists volunteer in the community. We represent non-religious views to provide a balance in society and education. We are a partner group of Humanists UK.

Please check [www.farnham.humanist.org.uk](http://www.farnham.humanist.org.uk) for more information and the up to date programme

We generally hold two meetings a month with other events during the year. **Sunday talks and discussions are held at 7:00 for 7:30pm** in Daniel Hall, Farnham, Long Garden Walk, GU9 7HX.

On the first **Wednesday of each month** we meet from 8pm at The Jolly Sailor pub, 64 West St, Farnham, GU9 7EH for a chat and a drink. It's an opportunity to get to know each other better and often involves lively discussion!
